**INDUSTRIAL FUNGICIDE**

**ACTIVE INGREDIENT**
- 3-Isodo-2-Propynyl Butyl Carbamate

- Insert INGREDIENTS
  - Contains petroleum distillate

- Total 100.0%

**DANGER**

**FIRST AID**

**IF IN EYES**
- Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing.
- Call a poison control center or doctor for treatment advice.

**IF ON SKIN OR ON CLOTHING**
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15 to 20 minutes.
- Call a poison control center or doctor for treatment advice.

**IF SWALLOWED**
- Immediately call a poison control center or doctor.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give any liquid to the person.
- Do not give anything by mouth to an unconscious person.

**IF INHALED**
- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a poison control center or doctor for further treatment advice.

Keep out of reach of children

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**GENERAL INFORMATION**

**PRODUCT:** The following are suggested use levels for Woodtreat® 40-I. Typical use levels given for the various applications indicate the approximate levels for the particular application.

All suggestions are given in percentage weight and refer to the product Woodtreat® 40-I.

**APPLICATION INSTRUCTIONS**

**PAINTS AND STAINS:** Generally use 0.4-1.2% or 4-12 pounds of Woodtreat® 40-I per one hundred gallons. For hot, humid areas, use up to 2.0% (20 lbs). For interior paints use 0.1-0.4% (1-4 pounds). For wood protective stains use 0.8-1.2% (8-12 pounds) of Woodtreat® 40-I.

**PLASTICS:** Use in PVC plastics such as shower curtains, tarps, umbrellas at a level of 0.5-2.5%.

**WOOD:** For above ground use only at rates of 0.5-2.0% depending on protection. For sapstain control, use 0.5% within 24 hours of cutting. For millwork, use 0.5%. Do not apply to wood surfaces that come into contact with food.

**PAPER COATINGS:** For use in non-food contact coatings only. Use in aqueous and solvent-based coatings applied to paper at 0.05-0.75%.

**CANS AND CORRUGATE:** Use 0.5-2.0%.

**ADHESIVES:** Use 0.05-0.2%.

**INKS:** Use 0.05-3.0%

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** This material has a tendency to crystallize at low temperatures. Storage temperatures below 60°F (15°C) and above 90°F (32°C) are suggested.

**PESTICIDE DISPOSAL:** Pesticides wastes are acutely hazardous. Improper disposal of excess pesticides, spray mixture, or rinsate is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State pesticide or environmental control agency or the hazardous waste representative at the nearest EPA regional office for guidance.

**CONTAINER HANDLING:** Nonrefillable container. Do not reuse or refill this container.

**CONTAINER CLEANING:** Clean container promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container ¼ full with water. Replenish to flush closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Then offer for recycling or reconditioning if available, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other water unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional office of the EPA. Do not apply directly to water or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters or rinsate.

**GENERAL PRECAUTIONS AND RESTRICTIONS**

Do not apply this product in a way that will contact workers or other persons. Woodtreat® 40-I is not to be used in formulations for materials that come into contact with food.

**USER SAFETY RECOMMENDATIONS**

**User Should:**
- Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
- Take off contaminated clothing.
- Remove personal protective equipment immediately after handling this product. Wash the outside of gloves before removing. As soon as possible wash thoroughly with soap and water.

**NOTE TO PHYSICIAN**

Probable mucosal damage may facilitate the use of gastric lavage. Contains petroleum distillate—vomiting may cause aspiration pneumonia.

**KOP-COAT**
