Timbertreat® N-98 Preservative Insecticide

For control of certain insects infesting wood and wood composites and adhesives* *(Not for use in California)

**KEEP OUT OF REACH OF CHILDREN**

**WARNING**

- **FIRST AID**
  - **IF SWALLOWED**
    - Call a poison control center or doctor immediately for treatment advice.
    - Have person sip a glass of water if able to swallow.
    - Do not induce vomiting unless told to do so by the poison control center or doctor.
    - Do not give anything by mouth to an unconscious person.
  - **IF ON SKIN OR CLOTHING**
    - Take off contaminated clothing.
    - Rinse skin immediately with plenty of water for 15-20 minutes.
    - Call a poison control center or doctor for treatment advice.
  - **IF IN EYES**
    - Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
    - Call a poison control center or doctor for treatment advice.
  - **IF INHALED**
    - Move person to fresh air.
    - If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
    - Call a poison control center or doctor for further treatment advice.
  - **NOTE TO PHYSICIAN**
    - No specific antidote is available. Treat the patient symptomatically.

**ACTIVE INGREDIENTS**

- Imidacloprid, 1-[(6-Chloro-3-pyridinyl)methyl]-N-nitro-2-imidazolidinimine 99.80%

**STORAGE AND DISPOSAL**

- Do not contain water, food, or feed by storage or disposal.
- **Pesticide Storage:** Store in a cool, dry place and in such a manner as to prevent cross contamination with other pesticides, fertilizers, food, and feed. Store in original container and out of reach of children preferably in a locked storage area.
- **Pesticide Disposal:** Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinse water is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the hazardous waste representative at the nearest EPA Regional Office for guidance.

**ENVIRONMENTAL HAZARDS**

- Pesticide wastes are acutely toxic. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has not been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority.

**Hazardous Waste Disposal**

- Contact your local waste disposal authority for information on disposal of the pesticide or the pesticide mixture.
- Never apply this product in a manner such as to cause the pesticide to enter nontarget water bodies. If drift occurs, immediately stop spraying and take corrective action to prevent drift from entering water bodies.

**Manufactured for:**

Kop-Coat, Inc.
Protection Products Division
5137 Southwest Avenue, St. Louis MO 63110
314-772-2200

**Pesticide Warning Statement:**

IF INHALED

- Stay out of smoke.

IF IN EYES

- Do not touch eyes, clothing, or skin.

IF SWALLOWED

- Do not drink.

IF ON SKIN OR CLOTHING

- Do not touch eyes.

PRECAUTIONARY STATEMENTS

- **HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**WARNING!**

- May be fatal if swallowed or inhaled. Do not breathe dust or vapor. Wear a mask or respirator approved by the Mine Safety and Health Administration and the National Institute for Occupational Safety and Health. Wash thoroughly with soap and warm water after handling and before eating, drinking or using tobacco products. Remove contaminated clothing and wash before reuse.

**STORAGE AND DISPOSAL**

- Do not contain water, food, or feed by storage or disposal.
- **Pesticide Storage:** Store in a cool, dry place and in such a manner as to prevent cross contamination with other pesticides, fertilizers, food, and feed. Store in original container and out of reach of children preferably in a locked storage area.
- **Pesticide Disposal:** Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinse water is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the hazardous waste representative at the nearest EPA Regional Office for guidance.

**Container Handling:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available or offer for reconditioning if appropriate. Do not use container in connection with food, feed, or drinking water. Completely empty container into the processing equipment. Then dispose of empty container in a sanitary landfill, by incineration or, if allowed by State and Local authorities, by burning. If burned, stay out of smoke. Handle and open container in manner as to prevent spillage. If the container is leaking or material is spilled for any reason or cause, carefully sweep the material into a pile and dispose of as directed for pesticides as above. Refer to Precautionary Statements on label for hazards associated with the handling of this material. In spill or leak incidents, keep unauthorized people away.

**ENVIRONMENTAL HAZARDS**

- Pesticide wastes are acutely toxic. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has not been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.
