GENERAL INFORMATION: Woodlife® F is a clear, penetrating, non-swelling, paintable water repellent for natural wood surfaces. No unpleasant odor. Will not crack, blister or peel. Ready to use, colorless when dry. Complete the total protection of above ground pressure-treated wood from water damage and mildew. Ideal for all natural wood surfaces, unfinished or newly finished wood, weathered wood and treated wood.

PRODUCT USES: Milwork, siding, shingles, plywood, hardboard, board, structural lumber, fences, and other exterior wood products. Keep contents and freshly treated articles away from food and living plants. Do NOT USE ON WOOD WHICH WILL COME IN CONTACT WITH FOOD. Do not use on wood which will come in contact with food, feed or potable water.

APPLICATION: Apply by immersion, vacuum, roller coater, flood spray or brush. Do not use high-pressure spray. Any surface into continuous contact with the skin unless the wood is sealed with paint, varnish or shellac after application. Keep container closed when not in use. RETENTION: 3-Minute-immersion—5 to 10 gallons per MBF (i.e. 1,000 board foot). Brush application—150 sq. ft. per gallon but varies with species and condition of the substrate.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF ON SKIN OR ON CLOTHING: Take off contaminated clothing.

IF INHALED: Move person to fresh air.

IF SWALLOWED: Do not induce vomiting unless told to do so by a poison control center or doctor.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and shrimp. Do not apply directly to water. Do not contaminate water, food, or feed by storage or disposal. Keep container closed when not in use.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Storage: Store in a closed, properly labeled container in a cool place. If static generating conditions exist, provide necessary grounding and bonding. Keep containers closed when not in use.

Pesticide Disposal: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative of the nearest EPA Regional Office for guidance.

Container Handling: Nonrefillable container. Do not reuse or refill this container. Triple rinse container after first treatment must be retreated.

KEEPS OUT OF REACH OF CHILDREN

WARNING

Do not use this product where any portion of the treated wood will be below ground. Sealer is necessary after prolonged contact is expected. Application of paints and stains often result in splashing and dripping. Cover desirable plants and shrubs to protect against possible injury.

GENERAL PRECAUTIONS AND RESTRICTIONS:

For Industrial Use

CONSULT MATERIAL SAFETY DATA SHEET BEFORE USING

Do not apply this product in a manner inconsistent with its labeling.

Do not wash before eating, drinking, chewing gum, using tobacco, or using the toilet.

Do not contaminate water, food, or feed by storage or disposal.

Do not use on wood that will be in contact with food, feed, or potable water.

Do not contaminate water, food, or feed by storage or disposal. Keep container closed when not in use.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Keep container closed when not in use.

Do not apply this product in a manner inconsistent with its labeling.

Do not wash clothes and towels after using. If such terms are not acceptable, return at once unopened.

Take off contaminated clothing.

Call a poison control center or doctor for further treatment advice.

Open the remaining contents into application equipment or a mix tank. Fill the container ¾ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth ensuring at least one complete revolution for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the residue into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Then offer for recycling if available.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF ON SKIN OR ON CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call poison control center or doctor for treatment advice.

IF SWALLOWED: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to person. Do not give anything by mouth to an unconscious person.

IF INHALED: Call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.

Call a poison control center or doctor for further treatment advice.

NOTE TO PHYSICIAN

Note: This is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not use this product when any portion of the treated wood will be below ground.

Sealer is necessary after prolonged contact is expected. Application of paints and stains often result in splashing and dripping. Cover desirable plants and shrubs to protect against possible injury.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING. Harmful if swallowed or absorbed through the skin. Avoid contact with eyes, skin or clothing.

PERSONAL PROTECTIVE EQUIPMENT (PPE) Handling: Wear those handled treated lumber must wear:

1. Long-sleeved shirt and long pants.
2. Chemical resistant gloves (such as barrier laminate, nitrile rubber, neoprene rubber or Viton).
3. Shoes plus socks.

USER SAFETY REQUIREMENTS

Follow manufactures instructions for cleaning/painting PPE. If no such instructions exist for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product’s concentrate. Do not reuse them.

USER SAFETY INSTRUCTIONS

Users must:

1. Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
2. Remove pesticide/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
3. Remove PPE immediately after handling this product.
4. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and shrimp. Do not apply directly to water. Do not contaminate water when disposing equipment wastewaters. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Eliminations System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of Environmental Protection Agency.

PHYSICAL OR CHEMICAL HAZARDS

COMBUSTIBLE - Do not use, pour, spill, or store near heat or open flame.

IN CASE OF FIRE

Use water, fog, foam, carbon dioxide or dry chemical. Cool closed container with water.

LIMIT OF LIABILITY AND LIABILITY

We warrant this material to comply with our published specifications and to be of good merchantable quality and such as will regularly pass in the trade for goods within the description, and further warrant such goods to be fit for the normal purposes for which goods are used. We assume no responsibility that the goods concerned in this contract are fit for any particular purpose for which they are being bought outside of the general purposes of goods of the description.
