**Keep Out of Reach of Children**

**CAUTION**

Read and follow all directions and precautions on this product label.

**Notes:**

1. This product is for use on dogs only. Do not allow children to apply this product. Do not apply to puppies less than 10 weeks of age, or for more than 6 months without consulting your veterinarian.

2. Do not use on cats, other animals, or for the treatment of any insecticides, rodenticides, or other pesticides. Do not use as a substitute for flea and tick control.

3. Treat all pets that frequent the area where the treated dogs/puppies have been.

**Storage and Disposal:**

- Keep this product in its original container when not in use. Store in a cool, dry place, preferably inside, away from children and other animals.
- Liquid Tube Container Disposal: If empty, do not reuse.
- To discard, simply pour the contents onto the lawn or garden. Do not reuse or refill the container. The container is not recyclable.

**Pre-Appliation Statements:**

**PREPARATION:**

- Start with an empty applicator. Place the applicator on a hard, flat surface.
- Clean your hands with soap and water after handling the applicator.

**APPLICATION:**

- Remove contact lenses, if applicable.
- Remove any other contact lenses, if applicable.
- Remove any jewelry or any other objects that could interfere with the applicator.
- Have all other pets in the household removed.
- Remove all pets from the area where the applicator will be used.
- Do not apply this product in a manner inconsistent with its labeling.

**APPLICATION SITE:**

- Double protection against fleas and ticks
- Kills all stages of the flea and tick life cycles
- Starts killing fleas and ticks within 15 minutes
- Kills and repels mosquitoes (the major carrier of canine heartworm)
