TIP TIPS TO HELP GET DOWN TO THE SKIN

WILL NOT DRIP
after opening

FOR USE ONLY ON EXTRA-LARGE (81 LBS. AND OVER) DOGS/PUPPIES (10 WEEKS OF AGE OR OLDER)

Do not apply an excessive amount of the solution at any one spot that could cause some of the solution to run off the side of the dog/puppy. Do not apply the product by hand over the dog/puppy. Although the dog/puppy’s skin and hair will distribute the application over the entire dog/puppy, knocking the dog/puppy 15-20 times after treatment will help to distribute the material over the skin.

In case of emergency or if product information, call 9-1-1 or 911 or contact your veterinarian if you are experiencing an adverse event.

Side Effects: Unless your dog or cat has adverse effects, do not consult your veterinarian. If your pet is experiencing an adverse event, consult your veterinarian or call the Poison Control Center.

Not for use in queen bitches or bitches or dogs/puppies during their non-estrus cycle.

For use in dogs/puppies 10 weeks of age and older.

For use in dogs/puppies 10 weeks of age and older.
