Supplemental Label

For use on grass grown for seed

This supplemental label expires May 31, 2019 and must not be used or distributed after this date.

Powered by Xemium® and F500® fungicides

Active Ingredients:
fluxapyroxad*: 1H-Pyrazole-4-carboxamide, 3-(difluoromethyl)-1-methyl-N-(3',4',5'-trifluoro[1,1'-biphenyl]-2-yl)- ................................................................. 14.33%
pyraclostrobin**: (carbamic acid, [2-[[1-(4-chlorophenyl)-1H-pyrazol-3-yl]oxy][methyl][phenyl]methoxy-, methyl ester) ................................................................. 28.58%

Other Ingredients: ........................................................................................................................................... 57.09%
Total: ............................................................................................................................................................... 100.00%

* Equivalent to 1.39 pounds of fluxapyroxad per gallon
** Equivalent to 2.78 pounds of pyraclostrobin per gallon

EPA Reg. No. 7969-311

Directions For Use

- It is a violation of federal law to use this product in a manner inconsistent with its labeling.
- The supplemental labeling and the entire Priaxor® Xemium® brand fungicide container label, EPA Reg. No. 7969-311, must be in possession of the user at the time of application.
- Read the label affixed to the container for Priaxor before applying.
- Use of Priaxor according to this labeling is subject to the use precautions and limitations imposed by the label affixed to the container for Priaxor.

Application Instructions

Refer to the Priaxor container label for specific use directions, recommendations and restrictions in registered crops.

Restrictions and Limitations

Priaxor is not for sale, distribution, or use in Nassau and Suffolk counties in New York State.

**Application Directions.** For optimal disease control, begin applications of Priaxor prior to disease development and continue on a 14 to 21 day interval. Use the higher rate and shorter interval when disease pressure is high.

**DO NOT** graze or feed forage or hay to livestock within 27 days of last application.

**Resistance Management.** To limit the potential for development of resistance, **DO NOT** apply more than 13.8 fl ozs of Priaxor per acre per season. **DO NOT** apply more than two (2) applications of Priaxor per season.

**DO NOT** make more than two (2) sequential applications of Priaxor before alternating to a labeled non-Group 7 or non-Group 11 fungicide. For use on grass grown for seed, the maximum product use rate is 13.8 fl oz/A/year (0.15 lb ai/year fluxapyroxad).
## Conditions of Sale and Warranty

The **Directions For Use** of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and must be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of BASF CORPORATION (“BASF”) or the Seller. To the extent consistent with applicable law, all such risks shall be assumed by the Buyer.

BASF warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the **Directions For Use**, subject to the inherent risks, referred to above.

**TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BASF MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.**

**TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BUYER’S EXCLUSIVE REMEDY AND BASF’S EXCLUSIVE LIABILITY, WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE, SHALL BE LIMITED TO REPAYMENT OF THE PURCHASE PRICE OF THE PRODUCT.**

**TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BASF AND THE SELLER DISCLAIM ANY LIABILITY FOR CONSEQUENTIAL, EXEMPLARY, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT.**

BASF and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing **Conditions of Sale and Warranty** which may be varied only by agreement in writing signed by a duly authorized representative of BASF.
