STOP BUGGING ME™  Lawn & Garden Ready-To-Spray Outdoor Pest Control is the pest control solution specifically created for pre- or post-treatment of insect infestations. It is formulated for use by exterminators, grounds keepers, maintenance personal and professional pest control operators. Developed to provide insect control results for residential, commercial and industrial facilities.

STOP BUGGING ME™  Lawn & Garden Ready-To-Spray Outdoor Pest Control is effective for the control of grubs when applied on turf areas experiencing grub infestations that often result in damage to the sod.
