**For Use on Lawns, Ornamental Gardens and Grasses**

Stop Bugging Me! Lawn & Garden Ready-To-Use Outdoor Pest Control is the pest control solution specifically created for pre- or post-treatment of insect infestations. It is formulated for use by exterminators, grounds keepers, maintenance personal and professional pest control operators. Developed to provide instant control of the targeted pest, and residual control for a significant period of time.

**Directions for Use:**
- Shake well. Apply when listed pests are present.
- Uniformly apply by holding sprayer 12-24 inches from target area. Spray leaves and new growth thoroughly, including the underside, to kill listed insects that may hide. Apply product until leaves or turf is evenly coated but not dripping. Delay watering or mowing for 12-24 hours after application. Allow product to dry after application, before entering treated area.
- Repeat application every 30-60 days or as often as required.

**For Outdoor Use Only. Not for use in vegetable gardens.**

**First Aid**

- If swallowed: Call a poison control center or doctor immediately for treatment advice. Sip a glass of water if able to swallow. Do NOT induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
- If inhaled: Move person to fresh air. If not breathing, call 911 or an ambulance, then administer artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.
- If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for further treatment advice.
- If on skin or clothing: Remove contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

**Storage & Disposal:**

Do not contaminate water, food, or feed by storage and disposal. Store in a cool, dry area. When container is empty, offer for recycling if available or discard in trash.
