- A well-ventilated space, free of any source of spark, open-flame or heat

Net Contents: 2 FL OZ per pad
STOP — Read Entire Label Before Use

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Read entire label. Use strictly in accordance with precautionary statements and directions, and with applicable state and Federal regulations.

PRECAUTIONS:

- At all times during a treatment, keep bags/containers being treated with CIRKIL VaproPad Electronics & Clutter Treatment away from heat, sparks, open flame or hot surfaces.
- Always open treated bags/containers in a well-ventilated area, away from any source of heat, sparks, or open flame.
- CIRKIL VaproPad Electronics & Clutter Treatment is intended to treat items sealed within bags or airtight containers. This product will not kill bed bugs that are not enclosed in treatment bags/containers.

TO KILL BED BUGS/EGGS IN HOUSEHOLD ITEMS:

Use CIRKIL VaproPad Electronics & Clutter Treatment to kill bed bugs and their eggs in household items including, but not limited to, books, footwear, handbags, clothes, linens, electronics, computers, luggage, and other items which can be placed in a plastic bag.

HOW TO TREAT:

1. Place items in plastic bag to treat. Important: Leave air space by packing items loosely.
2. Completely remove peel-off seal from foil pouch to expose the vents. Place 2 foil pouches on top of items in bag, ensuring vents face upward. Prevent items from contacting vents.
3. Close and seal bag/container. Seal bag by tying the neck of the bag. Check for airtight seal by squeezing gently. Inspect for tears or punctures - if found, seal the damaged bag inside a new bag.
4. Leave bag sealed for at least 48 hours and only treat at 65°F or higher.
5. Open bag in well-ventilated area or outdoors. Do not open bag near sources of heat, spark or open flame. Unplug any electrical devices nearby. Air out treatment bag before removing items.
6. Items can be used immediately when no treatment scent is noticeable.

* When used as directed

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Caution: Liquid contained in the pad inside the foil pouch can cause moderate eye irritation. Avoid contact with eyes or clothing. Do not get liquid in mouth. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

In the event of a medical emergency call your poison control center at 1-800-222-1222 (24 hours). Have the product container or label with you when calling a poison control center, doctor, or going for treatment.

PHYSICAL AND CHEMICAL HAZARDS

Flammable. During all stages of treatment, keep the pad and treated bags away from heat, sparks, open flames or hot surfaces (e.g., baseboard, floor heaters, stoves, etc.). Unplug all electrical equipment prior to opening treated bags.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Storage: Protect the product from extreme heat or cold, away from light, heat, sparks, open flame or pilot lights. Do not remove from outer packaging until ready to use. Never remove the contents of the foil pouch.

Disposal: The product is for one-time application only, and the foil pouch and outer packaging are nonrefillable. Offer used product, packaging, and treatment bag for recycling if available or dispose of in trash.

IMPORTANT: READ BEFORE USE

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or buyer accepts the following Conditions, Disclaimer of Warranties and Limitations of Liability.

CONDITIONS: The directions for use of this product are believed to be adequate and consistent with applicable law, all such risks shall be assumed by the user or buyer.

DECLARATION OF WARRANTIES: To the extent consistent with applicable law, Terramera or the Seller make no other warranties, guarantees or representations of any kind, either express or implied, of merchantability or of fitness for a particular purpose or otherwise, that extend beyond the statements made on this label. No agent of Terramera or the Seller is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. To the extent consistent with applicable law, all such risks shall be assumed by the user or buyer.

LIMITATIONS OF LIABILITY: To the extent consistent with applicable law, the exclusive remedy of the user or buyer and the exclusive liability of Terramera for any and all losses, injuries or damages resulting from the use, transport, or handling of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid for the product, or at Terramera's election, the replacement of product.
see outer package for complete directions for use

CAUTION
Keep Out of Reach of Children

Flammable: During all stages of treatment, keep the pad and treated bags away from heat, sparks, open flames or hot surfaces (e.g. radiators, food heaters, stoves, etc.). Unplug all electrical equipment prior to opening treated bags. See outer package for complete directions for use.
