STOP — Read Entire Label Before Use

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Read entire label. Use strictly in accordance with precautionary statements and directions, and with applicable state and Federal regulations.

PRECAUTIONS:

- At all times during a treatment, keep bags/containers being treated with CIRKIL VaproPad Mattress Treatment away from heat, sparks, open flame or hot surfaces.
- Always open treated bags/containers in a well-ventilated area, away from any source of heat, sparks, or open flame.
- CIRKIL VaproPad Mattress Treatment is intended to treat items sealed within bags or airtight containers. This product will not kill bed bugs that are not enclosed in treatment bags/containers.

TO KILL BED BUGS/EGGS ON MATTRESSES & BOXSPRINGS:

Use CIRKIL VaproPad Mattress Treatment to kill bed bugs and their eggs living on the surface and inside cracks and crevices of mattresses/box-springs.

Step 1
Lean mattress (or box-spring) upright against a wall away from spark, flame or heat source. Place bag around mattress from top.

Step 2
Turn bag and mattress onto side. Pull bag until mattress is all the way in.

Step 3
Remove seals to expose vent holes.

Step 4
Peel off sticker backing. Affix four foil pouches to inside of bag where indicated with vent holes facing in. Ensure vent holes are not blocked.

* When used as directed

Step 5
Seal bag completely. Inspect bag for airtightness. Repair any holes airtight using tape (e.g. duct tape). Leave bag sealed for at least 48 hours at 65°F or higher.

AFTER 48 HOURS:

Open bag in well ventilated area or outdoors, away from heat, spark or open flame. Unplug any electrical devices nearby. Air out before removing the mattress.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Caution: Liquid contained in the pad inside the foil pouch can cause moderate eye irritation. Avoid contact with eyes or clothing. Do not get liquid in mouth. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

In the event of a medical emergency call your poison control center at 1-800-222-1222 (24 hours). Have the product container or label with you when calling a poison control center, doctor, or going for treatment.

PHYSICAL AND CHEMICAL HAZARDS

Flammable. During all stages of treatment, keep the pad and treated bags away from heat, sparks, open flames or hot surfaces (e.g. baseboard, floor heaters, stoves, etc.). Unplug all electrical equipment prior to opening treated bags.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Storage: Protect the product from extreme heat or cold, away from light, heat, sparks, open flame or pilot light. Do not remove from outer packaging until ready to use. Never remove the contents of the foil pouch.

Disposal: The product is for one-time application only, and the foil pouch and outer packaging are nonrefillable. Offer used product, packaging, and treatment bag for recycling if available or dispose of in trash.

IMPORTANT: READ BEFORE USE

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unused product container at once. By using this product, user or buyer accepts the following Conditions, Disclaimer of Warranties and Limitations of Liability.

CONDITIONS. The directions for use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risk inherent associated with the use, handling and transport of this product. Damage to products, materials, treated surfaces or fabrics, inefficacy or other unintended consequences may result because of factors such as environmental conditions, the presence of other materials, the manner of use or application, the use of the product in a manner inconsistent with its labeling, or other unknown reasons, all of which are beyond the control of Terramera. To the extent consistent with applicable law, all such risks shall be assumed by the user or buyer.

DISCLAIMER OF WARRANTIES: To the extent consistent with applicable law, Terramera or the Seller makes no other warranties, guarantees or representations of any kind, either express or implied, of merchantability or of fitness for a particular purpose or otherwise, that extend beyond the statements made on this label. No agent of Terramera or the Seller is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. To the extent consistent with applicable law, Terramera and the Seller disclaim any liability for special, consequential, incidental or indirect damages resulting from the use, transport, or handling of this product; LIMITATIONS OF LIABILITY. To the extent consistent with applicable law, the exclusive remedy of the user or buyer and the exclusive liability of Terramera for any and all losses, injuries or damages resulting from the use, handling, or transport of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid for the product, or at Terramera’s election, the replacement of product.
