PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS: CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

HAZARDS TO DOMESTIC ANIMALS: For External Use on Cats Only. Do not use on kittens less than 12 weeks old and less than 5 lbs. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals. Certain medications can interact with pesticides. Consult a veterinarian before using on medicated cats. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Due to the bitter taste of the product, oral exposure could result in salivation. Be careful not to get any product in the cat’s mouth during application. For multiple cat households, prevent the cats from grooming each other until the product has dried. If the salivation continues or other clinical signs are noted, please call 1-800-275-1414.

FIRST AID:

IF IN EYES:
• Hold eye open and rinse slowly and gently with water for 15-20 minutes.
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
• Hold eye open and rinse slowly and gently with water for 15-20 minutes.

IF INHALED:
• Remove victim to fresh air and keep at rest in a position comfortable for breathing.

IF ON SKIN:
• Wash with plenty of soap and water.

IF SWALLOWED:
• Do not induce vomiting unless instructed to do so by a health professional.
• Do not give anything by mouth to a中毒者. Give only as recommended.
• Consult a poison control center or doctor immediately for advice on further management.
