Appearance:
A white powder

Keep out of reach of children

DANGER

Contamination or improper use may cause intense fire, explosion or the release of toxic gases. Do not allow product to contact any foreign matter, including other water treatment products. If product is exposed to small amounts of water, it can react violently to produce heat, toxic gases and spatter. Do not add water to this product. Add only into water. Highly corrosive. Causes skin and eye damage. May be fatal if swallowed.

Read all Precautionary and First Aid Statements on back panel before use.

Net Wt. 1 LB
