FORMULATED FOR CATS

Vet’s Best Flea + Tick Gentle-Mist Spray was carefully formulated with cats in mind using a unique blend of Peppermint Oil and Eugenol (from Clove plants) that kills fleas and ticks. Its unique applicator offers a continuous spray for quick and easy coverage while providing a gentle mist that doesn’t startle your cat. For over 30 years, Vet’s Best has blended plant-based ingredients that work together to comfort and protect your pet.

DIRECTIONS FOR USE:
READ ENTIRE LABEL BEFORE EACH USE AND USE ONLY IN ACCORDANCE WITH LABEL INSTRUCTIONS.

For Cats 12 Weeks or Older:
Lightly spray cat’s entire coat until damp, but not dripping. Do not spray in the face, nose, eyes or genitals. Cover the entire coat including the legs, tail and stomach. Massage into the coat until the product reaches the skin. Repeat as necessary allowing 2-4 hours between applications.

For Pet Bedding, Cat Furniture, Collars, Pillows, Blankets, Carpet and Rugs:
Spray the surface uniformly with a light mist until moist. Avoid soaking. A fine mist is all that is necessary to be effective. Can be used around cats and dogs 12 weeks or older. In order to help reduce the occurrence of fleas and ticks, this product is best used year round and when combined with other Vet’s Best® products for pet, home and yard.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

HUMANS:
Causes moderate eye irritation. Wash hands thoroughly with soap and water after use. Prolonged or frequent repeated skin contact may cause allergic reaction in some individuals. For external use only.

DOMESTIC ANIMALS:
Sensitivity may occur after use of any product for pets. If signs of sensitivity occur, bath your pet with mild soap and rinse with large amounts of water. If signs of sensitivity continue, consult a veterinarian immediately. Not recommended for use on pregnant or nursing animals. For external use only.

FIRST AID
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes, then continue rinsing eye. If irritation persists, contact a physician. IF ON SKIN: Wash with soap and water and repeat if necessary. INHALATION: Remove to fresh air. INGESTION: Immediately drink plenty of water. Do not induce vomiting. If symptoms persist, contact a physician.

Storage:
Store only in original container in a cool, dry area.

Disposal:
In accordance with all Federal, State and Local regulations.
