**Seaklear Yellow Klear Algaecide**

**First Aid**

**If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance. Then give artificial respiration, preferably mouth-to-mouth. Call poison control center or doctor for further treatment advice.

**If On Skin:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call poison control center or doctor for treatment advice.

**If In Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call poison control center or doctor for treatment advice.

**If Swallowed:** Call poison control center or doctor immediately. Do not induce vomiting unless called for by poison control center or doctor. Do not give anything by mouth to an unconscious person.

**Inhition Number:**

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-364-3573 for emergency medical treatment information.

**Note to physician:**

Mild to moderate damage may result from the use of this product.

**Precautionary Statements**

**Hazards to Humans and Domestic Animals**

**Warning:** Harmful if swallowed, inhaled, or absorbed through skin. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Do not get into eyes. Do not inhale. Avoid contamination of food.

**Physical or Chemical Hazards:** Avoid contact with eating or drinking utensils other than as described in the directions for use. Do not directly mix this product with any other chlorinated product or other existing agent.

**Environmental Hazards:** This product is toxic to fish and aquatic animals.

**Storage and Disposal:** Do not contaminate water, food, or feed by storage or disposal of this product. Store in original container. Store in a cool, dry place away from the reach of children. Keep container closed when not in use. Dispose of Container/Disposal: Never incinerate. Do not use empty container for anything other than the product intended. Do not reuse or refill this container. Rinse thoroughly and securely wrap empty container in newspapers before discarding in trash or offer for recycling, if available. Pesticide Disposal: Pesticide wastes are considered hazardous. Dispose of excess pesticides, spray residue or debris, and products of Federal law. They must be disposed of by use in accordance with the instructions, or in accordance with your Regional Office of EPA for guidance.

**Warning:** Seller makes no warranty expressed or implied concerning the use of this product other than those indicated on the label. Buyer assumes all risk of use and/or handling of the material. Unauthorized use is contrary to laws and regulations.

In case of emergency: call 1-800-434-9390

**Seaklear Yellow Klear Algaecide**

**Directions for Use**

It is a violation of federal law to use this product in a manner inconsistent with its labeling. All dosages are for 10,000 gallons of water. Adjust accordingly. Prior to using this product, assure water is properly balanced (pH between 7.6 and 7.8, total alkalinity between 120 and 140 ppm).

**Breakout Treatment to Remove Visible Algae Accumulations:**

1. Brush areas affected with algae accumulations.
2. Add 4 oz (1 cap/sq) of this product per 10,000 gallons close to the affected areas. For severe accumulations, add 8 oz per 10,000 gallons.
3. To activate, add one of the following: 1 lb dry chlorinating compound (calcium hypochlorite dichloroisocyanurate), 2 lbs lithium hypochlorite (35%), 1 gallon sodium hypochlorite (liquid chlorinating compound) 10-12%; 2 gallons sodium hypochlorite (liquid chlorinating compound) 5-15%; or 1 lb potassium monopersulfate per 10,000 gallons of water.

Use a suitable test kit to test for residual chlorine. Ensure that the chlorine residual is 3 ppm or lower before reentering the pool.
