SeaKlar® Problem Klear Algaecide

**FIRST AID**

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-30 minutes. Call poison control center or doctor for treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes. Call poison control center or doctor for treatment advice.

**IF SWALLOWED:** Call poison control center or doctor immediately for treatment advice.

**HOTLINE NUMBER:** 1-800-424-9300 Have the product container or label with you when calling poison control center or doctor, or going for treatment. You may also contact 1-800-929-9370 for emergency treatment.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:**

Wait at least 1 hour before entering pool after treatment with this product. Harmful if absorbed through the skin. Avoid contact with skin and clothing. Wash with soap and water after handling. Remove contaminated clothing and wash before reuse. Do not pet into eyes.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish and aquatic organisms.

**PHYSICAL OR CHEMICAL HAZARDS**

SeaKlar Problem Klear Algaecide is not flammable. Do not allow this product to come into contact with acids or strong oxidizing agents. Avoid the direct exposure of the eyes or skin. This product is harmful to aquatic life. It is not recommended for use in swimming pools.

**STORAGE AND DISPOSAL:**

Do not contaminate water, feed or food by the use, storage, or disposal of this product. Store in original containers. Store in a cool, dry place away from the reach of children. Keep container closed when not in use. Pesticide Disposal: Pesticide wastes are excruciatingly hazardous. Improper disposal of excess pesticide, spray mixture or rinse water is a violation of Federal Law. If these wastes cannot be disposed of by users in accordance with label instructions, contact your Regional Office of the EPA for guidance. Container Disposal: Nonrefillable container. Do not reuse or refill this container. Rinse thoroughly and securely wrap empty container in several layers of newspaper before discarding in trash or offer for recycling, if available.

**MAINTENANCE TREATMENT:**

For pools using chlorinating disinfection systems. Use bi-weekly, as needed to keep water free of algae. Add chlorinating compound as directed on product label for appropriate size of swimming pool. Add the following amount of this product when adding a chlorinating compound. Wait at least 1 hour after SeaKlar Problem Klear Algaecide treatment before entering pool or follow the required waiting period for a product used with this product, if greater than 1 hour.

**WARRANTY**

Seller makes no warranty expressed or implied concerning the use of this product other than that indicated on the label. Buyer assumes all risk of use and/or handling of this material when use and/or handling is contrary to label directions.
