Eco Defense Fruit Fly Lure helps eliminate the occurrence of fruit flies with non toxic natural ingredients. Let Eco Defense be your first line of defense against fruit fly infestations.

**DIRECTIONS:**

1. Shake well. Pour liquid into a small bowl or ramekin (about an inch)
2. Place the bowl where the fruit flies gather.
3. When full of flies, pour down into sink.

**CAUTION:**
Keep out of reach of children. Use only as directed. Avoid contact with eyes and skin. If contact with eyes occurs, flush with water thoroughly. If contact with skin occurs wash with soap and water. If irritation persists, contact a physician.

This Product has not been registered by the United States Environmental Protection Agency. Eco Defense represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA).
