HAZARD STATEMENTS
May be harmful if swallowed.
May be harmful in contact with skin.
Harmful if inhaled.
Causes skin irritation.
Causes serious eye irritation.

WARNING: KEEP OUT OF REACH OF CHILDREN

DIRECTIONS FOR USE:
Non-Crop: 1-8 pints per 100 gallons (1 to 6 fl oz. per 5 gallons) of spray solution.

Turf, Ornamental and Industrial: ½–2 pints per 100 gallons (½-1½ fl oz. per 5 gallons) of spray solution.

Insecticides, Fungicides and Fertilizers: ½ – 2 pints per 100 gallons (½-1½ fl oz. per 5 gallons) of spray solution.

Herbicides: 1-4 pints per 100 gallons (1-3 fl oz. per 5 gallons) of spray solution.

Deposition Aid: All uses 1-2 quart per 100 gallons of spray solution

NOTE: Before treating a large area, treat small area and observe prior to full scale application.

GENERAL USE:
ALWAYS FOLLOW THE DIRECTIONS ON THE LABEL OF ANY PEST CONTROL PRODUCT

HELIX may be used with any herbicide, insecticide, fungicide or other pest control product that allows or requires the use of a spray additive. Use in accordance with the label instructions of pesticides that have been approved for use. Not for aquatic use.

The user must have experience with this product or have tested this product in the application and on all plants before use. To test the product, make the exact mixture desired and spray a small test area. Then wait at least 48 hours to see if damage occurs.

SHAKE WELL BEFORE USING

PRECAUTIONARY STATEMENTS

Environmental Hazards
To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help to avoid run off to water bodies or drainage systems.

Harmful if absorbed through skin, do not get in eyes or on clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Personal Protective Equipment: Wear protective eye wear (goggles or face shield). Long-sleeved shirt, long pants, socks and shoes.

FIRST AID
Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

If Swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferable mouth to mouth if possible.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, and then continue to rinse eye.

Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL
STORAGE: Store in a cool, dry place. Store in original container only. Do not add anything to the container. Keep container tightly sealed when not in use. Do not store near fire, flame or other potential sources of ignition.

DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best method of disposing containers if allowed by law. The Agriculture Recycling Container Counsel (ACRC) operates the national recycling center program. To contact your state and local ACRC visit the ACRC website at www.acrecycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

CLEAN UP: Rinse each spray tank out after each use and flush thoroughly.

WARRANTY STATEMENT: Residex LLC represents and warrants that its products are manufactured in accordance with the products specification and that its products at the time of delivery to the purchaser shall be free from all material defects. Residex LLC makes no warranty of any kind, expressed or implied, concerning the product, including but not limited to the implied warranties, merchantibility, and fitness for a particular purpose are disclaimed. Further it is understood and agreed that Residex LLC liability will not exceed that of the return amount of the purchase price paid by the purchaser. And under no circumstances shall Residex LLC be liable for special or indirect, incidental, circumstantial or punitive damages. Any use not in accordance with the product directions and precautionary statements, or modifications or additions, adulterations, dilutions or alterations by the purchaser shall void this warranty.
