**NeutraAir 2 in 1**

**Disinfectant Spray Freshcut Herbs & Jasmine Scent**

- **Total:** ............................................................. 100.00%
- **Other Ingredients:** ........................................... 41.90%
- **Dimethyl benzyl ammonium saccharinate:** 0.10%
- **Ethanol:** ........................................................... 58.00%
- **Active Ingredients:** ..............................................
  - **Freshcut herbs & jasmine scent**
- **Net Wt.:** ....................................................... 10 OZ. (283 g)

**Important Facts about this product:**

- Your family comes in contact with germs everyday. This product helps fight the spread of germs** •** Kills cold and flu viruses†
- Kills 99.9% of bacteria on soft surfaces as a spot treatment** •** Prevents the build-up of mold allergens† for up to 7 days
- Kills odor-causing bacteria • Use this product in:
  - **Kitchen**
    - Sinks
    - Garbage cans
    - Refrigerator exteriors
    - Toilet seats
  - **Bathroom**
    - Bathtubs
    - Showers
    - Toilet seats
  - **Home**
    - Door knobs
    - Diaper pails
    - Telephones
  - **Soft Surfaces**
    - Couches/Sofas
    - Mattresses
    - Pet beds

**PRECAUTIONARY STATEMENTS:**

- **Flammable:** Contents under pressure. Keep away from heat, sparks and open flame.

**FOR INDOOR USE ONLY:**

- **To Deodorize:** Spray on surfaces as needed. To Sanitize: Surfaces must remain wet for 5 minutes then allow to air dry. For Sanitizing surfaces must remain wet for 10 minutes then allow to air dry. Rare toys and food contact surfaces with potable water after use.

**STORAGE AND DISPOSAL:**

- Store in original container in areas inaccessible to small children. Do not reuse empty container.

**Questions? 1-800-228-4722**

**Important Facts about this product:**

- This can is made from an average of 25% recycled steel (10% post-consumer). Encourage your local authorities to establish a program to recycle this can.

**CAUTION:**

- Do not puncture or incinerate! Discard in trash or offer for recycling if available.

**Disinfects:** Kills the following household germs.

**Bacteria & Fungi:**

- Salmonella enterica
- Escherichia coli
- Klebsiella pneumoniae – NDM-1 positive
- Klebsiella pneumoniae carbapenemase Resistant
- Streptococcus pneumoniae
- Penicillin chrysogenum†
- Staphylococcus aureus – Methicillin Resistant (HA-MRSA)
- Listeria monocytogenes
- Pseudomonas aeruginosa
- Trichophyton mentagrophytes (Athlete’s Foot Fungus)
- Aspergillus niger (mold & mildew)††

**VIRUSES:**

- Avian Influenza A Virus (H1N1)
- Influenza A Virus (New Caledonia/20/99)†
- Influenza B Virus (Strain B/Hong Kong/6/72)
- Rhinovirus Type 39†
- Feline calicivirus (Norovirus)
- Rotavirus WA
- Herpes Simplex Virus Type 1
- Herpes Simplex Virus Type 2
- Respiratory Syncytial Virus (RSV)

**Kills the following:**

- **Soft Surfaces:**
  - Garbage cans
  - Refrigerator exteriors
  - Sinks
  - Door knobs
  - Diaper pails
  - Telephones

**Take Home**

- **To Control and Prevent Mold & Mildew:**
