FIRST AID

If swallowed: Rinse out mouth well with water. Do not induce vomiting. If ingested and is unconscious, call a physician immediately.

If in eyes: Rinse eyes thoroughly with water for 15 minutes. If irritation persists, seek medical attention.

If on skin: Wash area thoroughly with soap and water. If irritation persists, seek medical attention.

IF ON CLOTHING: Remove clothing and wash in soap and water.

PASSAGE: In case of passage, call a physician or poison control center immediately.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if inhaled through the skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking or changing clothes.

KEEP OUT OF REACH OF CHILDREN

CAUTION: See side panel for Precautionary Statements and Directions For Use.
