Easy-to-use pods make dosing simple!
Net Weight 4 lbs. - Contains (8) 8 oz. Pods
Pre-Measured • Water Soluble

Alkalinity Up

Pool Application

- Add appropriate number of pods to the deep end of the pool with the circulation system on.
- Disperse any undissolved chemical from the bottom of the pool with a pool brush until the chemical is completely dissolved. If multiple pods are added at one time, they should be distributed around the deep end and should not be concentrated in one place.

4. Use the chart to determine the correct amount of this product to use.

IN CASE OF EMERGENCY CALL: 1-800-654-6911

STOP!
Do Not Mix with other products or dissolve before use.

Do not cut pods

Acceptable Range for Balance

<table>
<thead>
<tr>
<th>ITEM NO. 67150</th>
<th>PART NO. 6651-0113</th>
</tr>
</thead>
</table>

Total Alkalinity 60-120 ppm
pH 7.2-7.8
Calcium Hardness Above 200 ppm
Available Chlorine 1-4 ppm

NOTE: Follow label directions for each product and allow each product to dissolve and disperse before adding additional products to the pool. Always check and adjust total alkalinity before adjusting pH levels. Use a test kit or test strips that measures all these ranges.

DIRECTIONS FOR USE:

Keep the total alkalinity at 60-120 parts per million (ppm).
1. Use a reliable test kit to measure the total alkalinity concentration of your pool water.
2. Be sure that the skimmer is empty and does not contain any chemical residue or debris.
3. If the alkalinity is below 60 parts per million (ppm), add the amount of product as directed on the chart below.

Skimmer Application - Add 1 pod directly into the pool skimmer while the pump is running. Allow the pod to dissolve before adding additional pods or other pool products. Only add 1 pod at a time.

TO INCREASE 10 PPM

| 1 | 5,000 Gallons |
| 2 | 7,500 Gallons |
| 3 | 10,000 Gallons |
| 4 | 15,000 Gallons |
| 5 | 20,000 Gallons |

FIRST AID:

IF IN EYES: Immediately flush eyes with plenty of water for at least 15 minutes. Seek medical attention if irritation develops.

IF INHALED: Remove individual to fresh air. Seek medical attention if breathing becomes difficult or if respiratory irritation develops.

IF ON SKIN: Flush skin with water for 15 minutes. Take off all contaminated clothing. Seek medical attention if irritation develops.

IF SWALLOWED: Call a physician immediately. DO NOT induce vomiting unless directed to do so by a physician. Never give anything by mouth to an unconscious person.

IN CASE OF EMERGENCY CALL: 1-800-654-6911

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

CAUTION: Contains sodium bicarbonate. Causes eye irritation. Avoid contact with eyes, skin and clothing. Do not ingest this product. Avoid breathing dust. Wash hands thoroughly after handling. Do not mix with other chemicals.

STORAGE AND DISPOSAL:

Store in tightly closed container in a cool place. Use entire contents, then triple rinse and offer for recycling, or dispose in accordance with state and local regulations. Do not reuse empty container.
