PICARIDIN 20%

EFFECTIVE PROTECTION FROM TICKS + MOSQUITOS

Made in the USA

RANGER READY REPELLENT™
The PiC20 Group, LLC
87 Water Street
Norwalk, CT 06854
INFO@PIC-20.COM

PHYSICAL HAZARDS

Flammable. Do not use or store near heat sources, sparks, or open flame. Do not smoke while applying.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Follow these guidelines when applying this product. Hold 4 to 6 inches from skin while spraying, keeping nozzle pointed away from face. Slightly moisten skin with a slow sweeping motion. Excessive amount or frequent reapplication is unnecessary. Do not exceed two applications per day.

Apply on face by first spraying small amounts in palms of hands and spreading on face and neck, avoiding eyes. Do not apply to the hands of small children. When using on children, apply to your hands and then apply it to the child. Do not apply to their hands. To apply to a child's face and neck, spray the product into your hands and apply to the child. Take care to avoid mouth and eyes and apply sparingly around ears. Do not allow children to handle the product. Do not spray directly on face. Avoid contact with lips, cuts, wounds, or irritated skin. Do not apply to excessively sunburned skin. Do not apply under clothing. Apply sparingly around ears.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS

CAUTION. Causes moderate eye irritation. Avoid contact with eyes. Wash thoroughly with soap and water after handling, returning indoors, and before eating, drinking, chewing gum, using tobacco, or using the toilet.

STORAGE AND DISPOSAL

STORAGE:
Store in a cool, dry area out of the reach of children. Keep away from heat, sparks, and open flame.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:
Non-refillable container. Do not reuse or refill this container.
If empty:
Place in trash or offer for recycling if available.
If partly filled:
call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

KEEP OUT OF REACH OF CHILDREN

CAUTION

STOP-Read This Entire Label before Use. Refer to back for first aid, additional precautionary statements and directions for use.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-222-1222 for emergency medical information.

FIRST AID

IF IN EYES:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

IF SWALLOWED:
Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

WARNING:
Avoid inhaling the contents of this aerosol can. The propellant may be flammable. Keep away from open flame. Do not store in direct sunlight or near heat sources. Do not incinerate. Use only as directed. Do not use or store near or on swimming pools, fish tanks, or other water environments. Containing a flammable propellant. Do not leave near a lighted match or open flame.

WARNING:
This product is not a sunscreen. Sunburn from sun exposure may impair the effectiveness of this product. Use sunscreen in addition to this product for full sun protection. Sunscreens block or reflect the sun's harmful rays and may provide more protection than repellents alone. Sunscreens come in a wide variety of types and forms such as lotions, creams, sticks, sprays, and gels. They are designed to protect particular parts of the body and are available over-the-counter and prescription. Sunscreens are available in a rating system to which the American Academy of Dermatology and the American Academy of Pediatrics recommend that all people between the ages of two and adult use sunscreen with a sun protection factor (SPF) of at least 30. Sunscreens are classified according to their performance in blocking ultraviolet A (UVA) and ultraviolet B (UVB) rays. They are rated 1 to 5, with 5 being the strongest. Read the label on the sunscreen product to identify the rating.

WARNING:
This product contains 20% Picaridin. Small children may react to the smell of the product. Do not use where children are likely to be exposed. Keep out of the reach of small children. Do not use near fire, heat or sparks. Do not use near an open flame. Do not store near heat sources. Do not store in direct sunlight. Use only as directed.
