BLEACH FREE

ACTIVE INGREDIENTS:

Octyl decyl dimethyl ammonium chloride......................0.0909%

Dioctyl dimethyl ammonium chloride.............................0.0364%

Didecyl dimethyl ammonium chloride............................0.0545%

Alkyl (C14, 50%; C12, 40%; C16, 10%) dimethyl benzyl ammonium chloride.............................0.1212%

OTHER INGREDIENTS..................................................99.6970%

Total..................................................................................100.0000%

1 Includes weight of absorbent wipe.

TO OPEN PACKAGE: Flip open lid. To start first wipe take the edge of wipe from large opening to the small dispensing opening and pull up. The next wipe will pop up automatically. Always close lid securely between uses to retain moisture.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

TO CLEAN AND DEODORIZE:

Wipe surface with wipe. Let air dry. Discard used wipe in trash. Do not flush in toilet.

TO CLEAN AND DISINFECT/VIRUCIDAL:

Wipe hard, non-porous surface with wipe until surface is visibly wet. Use enough wipes to keep surfaces visibly wet for 4 minutes. Allow surface to remain wet for 4 minutes. Let air dry. If surfaces are extremely dirty, clean first with another wipe before disinfecting. Discard used wipe in trash. Do not flush in toilet. Rinse food contact surfaces with clean, potable water after disinfecting. Do not use to disinfect dishes, glassware or utensils.

SANITIZING:

To sanitize hard, non-porous, non-food contact surfaces: wipe surface, using enough wipes to allow treated surface to remain wet for 15 seconds for Staphylococcus aureus [Staph] [ATCC 6538], Klebsiella pneumoniae [ATCC 4552], and Campylobacter jejuni [ATCC 29429]. Let surface dry. For highly soiled surfaces, clean excess dirt first. For plastic and painted surfaces, spot test on an inconspicuous area before use.

This product will not harm most surfaces: including acrylic, sealed fiberglass and vinyl. Do not use on unpainted wood.

Do not use on glass, non-stick surfaces or kitchen backsplashes.

Do not use on plastic surfaces.

For plastic and painted surfaces, spot test on an inconspicuous area before use.

This product will not harm most surfaces: including acrylic, sealed fiberglass and vinyl. Do not use on unpainted wood.

Do not use as a diaper wipe or for personal cleansing. This is not a baby wipe! Do not flush in toilet.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling poison control center or going for treatment.

STORAGE AND DISPOSAL

Store in original container in areas inaccessible to children. Keep securely closed. Nonrefillable containers. Do not reuse or refill this container. Discard empty container in trash or recycle (if available).
