In accordance with all Federal, State and Local regulations.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

Causes moderate eye irritation. Avoid contact with eyes, nose and mouth.

For full instructions including all precautions, consult the label. If the product contains plant extracts and/or botanical oils, which may cause skin irritation, consult a veterinarian immediately. Consult your veterinarian if your animal shows signs of distress after exposure. If you have any particular sensitivities or concerns, perform a small patch test to check for adverse reaction before use.

IF IN EYES:

Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, and continue rinsing eye. If irritation persists, contact a physician.

IF INHALED:

Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. If sensitization occurs, consult a veterinarian immediately. Consult your veterinarian if your animal shows signs of distress after exposure. If you have any particular sensitivities or concerns, perform a small patch test to check for adverse reaction before use.

IF INGESTED:

Immediately drink plenty of water. Do not induce vomiting. Avoid contact with eyes. If exposure occurs, rinse skin and water a further 15 minutes. If ingestion occurs, rinse mouth well. Consult your veterinarian immediately. Consult your veterinarian if your animal shows signs of distress after exposure. If you have any particular sensitivities or concerns, perform a small patch test to check for adverse reaction before use.

Sensitivity may occur after use of any product for pets. Monitor your pet for signs of sensitivity during and after application. If signs of sensitivity occur, bathe your pet in accordance with label instructions. In case of sensitization, discontinue use and consult a veterinarian immediately. Consult your veterinarian if your animal shows signs of distress after exposure. If you have any particular sensitivities or concerns, perform a small patch test to check for adverse reaction before use.
