**ENVIRONMENTAL HAZARDS:** This product is toxic to fish. Avoid contact with waterways and livestock feeders. Do not contaminate water, food, or feed by storage and disposal.

**PESTICIDE DISPOSAL:** Properly dispose of excess pesticide, spray mixture, or rinsate. If these wastes cannot be disposed of by use in accordance with label directions, contact your State Pesticide or Environmental Protection Agency (EPA) Regional Office for guidance.

**PRECAUTIONARY STATEMENTS:** HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**DANGER:** Corrosive. Causes severe eye damage and skin burns. Harmful if swallowed or inhaled. If swallowed, do not induce vomiting. In case of contact, wash affected area with copious amounts of water. For eye contact, flush eyes with copious amounts of water for at least 15 minutes. Get medical attention. Do not attempt to remove contact lenses.

**FIRST AID:**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, and continue rinsing. Get medical attention.

**IF INHALED:** Move person to fresh air if not breathing, call 911 or other emergency service, or get immediate medical attention. Do not give anything by mouth to an unconscious person.

**IF ON SKIN:** Take off contaminated clothing. Wash skin thoroughly with soap and water or other suitable cleanser. If irritation persists, get medical attention.

**NOT TO PHYSICIAN:** Probable muscular damage may contraindicate the use of gastric lavage.

**NOTICE TO USER:** This product is toxic to fish. Avoid contact with waterways and livestock feeders. Do not contaminate water, food, or feed by storage and disposal. If these wastes cannot be disposed of by use in accordance with label directions, contact your State Pesticide or Environmental Protection Agency (EPA) Regional Office for guidance.

**Pesticide Use Statement:** Do not contaminate water, food, or feed by storage and disposal.

**STORAGE AND DISPOSAL:** Store only in original container. Keep this product out of the reach of children. Store in a cool, dry location. Store with the cap securely fastened. Do not contaminate water, food, or feed by storage and disposal.

**PESTICIDE DISPOSAL:** Properly dispose of excess pesticide, spray mixture, or rinsate. If these wastes cannot be disposed of by use in accordance with label directions, contact your State Pesticide or Environmental Protection Agency (EPA) Regional Office for guidance.

**FIRST AID:**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, and continue rinsing. Get medical attention.
