Contains no phosphates. This bottle is made of 25% post-consumer recycled plastic.

Important Facts:

- Keep out of reach of children
- Eye and skin irritant.
- Use on metal to avoid pitting or discoloration.
- Prolonged contact with metal, old porcelain, plastic laminate and marble may cause discoloration.
- Avoid contact with clothes, fabric, wood, rubber, carpet, painted / paper surfaces, non-porous vinyl surfaces, and finished floors. Rinse immediately after use on non-porous surfaces.
- Avoid contact with ammonia, acids, detergents, etc. as organic matter may release chlorine gas and other hazardous gases in a reaction that may ignite and cause severe injury.

STORAGE AND DISPOSAL:
- Store in a cool, dry place away from heat, flammable materials and sources of ignition.
- Securely close in a well-ventilated area in a container marked "CAUSTIC" to avoid skin irritation
- Avoid contact with eyes, mouth, and skin
- Place in trash or return to store
- Federal law prohibits disposal in certain waters
- When mixing or using, wear rubber gloves
- Keep out of reach of children
- Call a Poison Control Center or doctor immediately for treatment advice

DIRECTIONS FOR USE:

- **To Operate:** Turn nozzle to “ON” position.
- **To Clean:** Apply Carefully - Contains Bleach. Apply to surface. Allow product to penetrate soap scum soils. Wipe.
- **To Sanitize & Disinfect:** Preclean. Apply and leave wet for 30 seconds to sanitize and 5 minutes to disinfect. Wipe dry. Rinse food contact surfaces with potable water.
- **Kills Mold & Mildew:** Preclean. Apply and leave wet for 5 minutes and allow to air dry. Repeat weekly or as needed.
- **Removes Soap Scum:** Turn nozzle to “ON” position. Apply to surface. Allow product to penetrate soap scum soils. Wipe.
- **White Power:** Destroys Mold & Mildew. Kills 99.9% of Germs.**

PRECAUTIONARY STATEMENTS:

- Hazards to Humans and Domestic Animals.
- MUTUAL USE ONLY IN WELL VENTILATED AREAS.

FIRST AID:
