PRECAUTIONARY STATEMENTS. KEEP OUT OF THE REACH OF CHILDREN. HAZARDS TO HUMANS AND DOMESTIC ANIMALS.
CAUTION: May be harmful if swallowed. Causes skin irritation. Causes severe eye irritation. May be harmful in contact with skin. May be harmful if inhaled. Keep product locked up and out of the reach of children. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Do not take internally. Avoid contact with or inhalation of spray application mist if present. Do not apply this product in such a manner as to directly expose workers or other persons. If product is being mixed with pesticides and/or spray adjuvants, follow all precautionary statements on the accompanying product(s) labeling. Not for human or animal consumption. Personal Protective Equipment (PPE): Wear protective eyewear (goggles or face shield), chemical-resistant gloves, long-sleeved shirt and long pants, and shoes plus socks when using this product. Take off any contaminated clothing and wash before reuse. FIRST AID IF INHALED: Move to fresh air. Keep at rest position comfortable for breathing. Get medical attention if symptoms occur. IF SWALLOWED: Rinse mouth with water (only if the person is conscious). Do not induce vomiting. Call a physician or Poison Control Center immediately. Never give anything by mouth to an unconscious person. IF IN EYES: Flush eyes with water for at least 15 minutes. Get medical attention if eye irritation develops or persists. IF ON SKIN OR CLOTHING: Wash skin with plenty of soap and water. Take off contaminated clothing and wash it before reuse. If skin irritation occurs: Get medical advice/attention. For further information see SDS#OVE5.

DIRECTIONS & DILUTIONS: Refer to accompanying directions for use. Formula Five™ should always be added as the last ingredient to any mix. All amounts and dilution ratios are per 100 gallon spray mix of water. May be applied by foliar, chemigation, aerial and drip method. For routine application: add 1 quart to 1 gallon per tank. Other applications: Foliar w/ partner fungicide- 32 oz., Aerial - 32 oz., Chemigation w/partner fungicide - 1/2 to 1 gallon, Soil application (stand alone)- up to 7 gallons, Lawns and Turf: 0.05%-0.125% v/v concentration, Water treatment- 6-8 oz.. Applications of Formula Five™ through irrigation injection systems are possible provided that recommended use rates and dilutions are maintained and local, state, and federal guidelines are followed.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Storage: Store in a cool, dry place and in such a manner to prevent cross contamination with other chemicals, food or feed. Store only in original, tightly secured container and out of reach of children, preferably in a locked storage cabinet. Product Disposal: To avoid waste, use all material in the container by application according to label directions. If disposal can’t be avoided, remaining product should be brought to a waste disposal facility with a pesticide disposal program in accordance with local and state regulations. Container Disposal: Do not reuse or refill container. Triple rinse empty container (or equivalent) during mixing and add rinse water to spray tank. Recycling decontaminated containers is the best option for disposal but may also be disposed of in a sanitary landfill.

CONDITIONS OF SALE–LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES: Read the Conditions of Sale–Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions on this label are believed to be reliable and must be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of One Vision Enterprises, Inc. (the “Company”) or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Company’s election, one of the following: 1. Refund of the purchase price paid by buyer or user for product bought, or 2. Replacement of the product used. To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
