NutraSpear is intended for use on hard, non-porous surfaces in kitchens (non-food contact), bathrooms, salons, correctional facilities, schools, health clubs, tanning salons, daycares, police and emergency vehicles, laundry rooms and pet areas.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING:
Causes substantial but temporary eye injury. Harmful if inhaled. Avoid contact with eyes or clothing. Avoid breathing mist. Wear appropriate protective eyewear such as goggles, face shield, or safety glasses. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before use.

FIRST AID

IF IN EYES:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for further advice. For Chemical Emergency ONLY (spill, leak, fire, exposure or accident), call CHEMTREC at 1-800-424-9300.

IF INHALED:
Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. For non-emergency and general information on product use, etc., information pertaining to this product, call the National Pesticides Information Center at 1-800-858-7378 (NPIC web site: npic.orst.edu/). For emergencies, call the poison control center 1-800-222-1222.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

NutraSpear Spray is intended for use on hard, non-porous, non-food contact surfaces. NutraSpear will clean and sanitize hard, non-porous surfaces, when used as directed, such items which are made of plastic (i.e., polycarbonate, polypropylene, polyvinylchloride, polystyrene), and use sites listed on this label consisting of non-porous vinyl, stainless steel, painted surfaces, Plexiglas®, Formica® and glass. This product is not for use on medical devices and equipment.

CLEANING AND SANITIZING INSTRUCTIONS:
NutraSpear is a one-step process. Completely preclean surface of all visible debris. Apply to surface using a trigger pump sprayer or pressure sprayer. Spray entire surface from 4-6 inches distance until completely covered. Thoroughly wet surface with NutraSpear. If spotting occurs, wipe with moist cloth or sponge. Repeated use of the product may be required to ensure that the surface remains visibly wet for 5 minutes. Allow to dry thoroughly before use/no rinsing necessary.

STORAGE AND DISPOSAL

Store in original, tightly closed container in an area inaccessible to children or persons unfamiliar with its use. Keep tightly closed until ready to use. Reclose tightly after each use. Nonrefillable container. Do not reuse or refill this container. Securely wrap original container in several layers of newspaper and discard in trash or offer for recycling if available.

16 fl. oz (473.176ml)
