ANTI-FOAMING AGENT

PRINCIPAL FUNCTIONING AGENTS
Dimethylsiloxane polymer............................9.75%
Constituents Ineffective as a Spray Adjuvant.............................90.25%
TOTAL                                    100.0%

Inert ingredients are a derivative of dimethylpolysiloxane
All ingredients are exempt from tolerance levels in CFR 40 parts 180.

KEEP OUT OF REACH OF CHILDREN

WARNING
If this product gets into the eyes, immediately wash the eyes with
large amounts of water for at least 15 minutes. Obtain immediate
medical treatment. If this product gets on the skin, immediately
wash the contaminated area and seek medical attention, if skin
irritation persists. If this product has been swallowed and the
person is conscious, immediately give large volumes of water. Do
not induce vomiting. If exposed or concerned, call Poison
Control Center or doctor for advise.

PRECAUTIONARY STATEMENTS
This product contains no hazardous ingredients as defined in the
Federal Hazardous Communication Standard (29 CFR1910.1200) and
with the California Hazardous Substances information and Training Act.
When mixing or applying agricultural sprays, always wear spray goggles and
impenetrable gloves plus protective clothing as recommended on pesticide labels.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal. Follow
all recommended governmental procedures for disposal of pesticide
spray solutions.
Rinse container; empty rinseate into spray tank. Dispose of empty
container according to approved local practices. Contact county
agricultural commissioner for container disposal information.

CONDITIONS OF SALE
Statements made on this label are believed to be true and accurate,
however, because of conditions of use which are beyond our control, the
manufacturer does not make nor does it authorize any agent or
representative to make any warranty or representation, expressed or
implied, concerning this material or the use thereof, except in conformity
with the statements on the label. Neither the manufacturer nor the seller
shall be responsible in any manner for any personal injury or property
damage or loss resulting to buyer or to other persons from handling,
storage or use of this material not in accordance with directions. The
buyer assumes all risk and liability resulting from improper handling,
storage or use and accepts and uses this material on those conditions.

GENERAL INFORMATION
FOAMSTOP is an antifoam agent containing
9.75% silicone. FOAMSTOP controls foaming
in emulsions, wettable powders and water
based systems. It helps minimize entrapped air
caued by mechanical agitation in spray tanks.

FOAMSTOP MUST BE ADDED BEFORE PESTICIDE
ADDITION TO PREVENT FOAMING.

This product may be used in dilute or
concentrate sprays. Use 3 to 6 tablespoons per
100 gallons of spray solution.
