KEEP OUT OF REACH OF CHILDREN
WARNING

Precautionary Statement
Causes substantial but temporary eye injury. Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse.

Personal Protective Equipment: Wear protective eyewear (goggles or face shield), chemical-resistant gloves, long-sleeved shirt and long pants, shoes plus socks when mixing or applying Regulaid.

Storage and Disposal
Storage: Do not contaminate water, food or feed by storage or disposal of this product.

Disposal: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

First Aid
If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.
If in Eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

Use Directions
Before using Regulaid, always read and follow all label directions, mixling instructions and precautionary statements of the pesticide label that is to be tank mixed with this product. Use rates for Regulaid will range from 1/2 to 3 pints per 100 gallons of spray solution. For the products listed, the following use rates are suggested:

<table>
<thead>
<tr>
<th>Product</th>
<th>pints per 100 gallons</th>
<th>mls per 100 liters</th>
</tr>
</thead>
<tbody>
<tr>
<td>Apogee</td>
<td>1 to 2 pints</td>
<td>125 to 250 ml</td>
</tr>
<tr>
<td>Ethephon, Ethrel</td>
<td>2 pints</td>
<td>250 ml</td>
</tr>
<tr>
<td>Malec Hydrazide</td>
<td>2 to 3 pints</td>
<td>250 to 375 ml</td>
</tr>
<tr>
<td>NAA or Amide Sprays</td>
<td>2/3 pint</td>
<td>85 ml</td>
</tr>
<tr>
<td>NAA plus Carbaryl</td>
<td>1/2 pint</td>
<td>60 ml</td>
</tr>
<tr>
<td>NAD</td>
<td>1 pint</td>
<td>125 ml</td>
</tr>
<tr>
<td>Streptomyacin</td>
<td>1 to 2 pints</td>
<td>125 to 250 ml</td>
</tr>
</tbody>
</table>

The most effective rate will vary with temperature and humidity at the time of application. The lower rate will normally be required under conditions of high humidity and the higher rate range is suggested under arid conditions. The above use recommendations are considered to be adequate for most uses. Since many factors such as heat, humidity, wind conditions and equipment performance can influence performance, the user should always follow label directions of the product to be tank mixed with Regulaid and consult local agricultural authorities or perform a limited test using this product to determine the optimum use rate for a given application and specific crop.

NOTICE-READ CAREFULLY

TERMS AND CONDITIONS OF SALE

Buyer and user’s receipt of any goods delivered hereunder shall be an unqualified acceptance of and a waiver by buyer and user of any and all claims with respect to such goods unless buyer or user gives seller notice of claim within fifteen (15) days after such receipt. Buyer shall be liable for any shortage in goods delivered hereunder, unless buyer gives seller notice of such shortages of goods within twenty-four (24) hours from receipt of shipment by buyer. Buyer or user assumes all risk and liability from the results obtained by the use of any goods delivered hereunder, or in manufacturing processes of buyer, or in combination with other substances. Neither seller nor manufacturer shall be liable for any claim of any kind, whether as to goods delivered or for non-delivery of goods except specifically provided herein.

LIMITATION OF LIABILITY

In no event shall KALO, Inc., or seller be liable for special, indirect, or consequential damages, or for damages in their nature of pecuniary loss to the goods sold. KALO, Inc., or seller shall not be liable to buyer or user by way of indemnification to customers of buyer, if any, for any damages or losses of money, data or demands whatsoever, resulting from or by reason of, or arising out of the misuse, or failure to follow label warnings or instructions for use, of the goods sold by KALO, Inc., or seller. Buyer’s or user’s exclusive remedy, and KALO, Inc., or seller’s total liability shall be for damages not exceeding the cost of the product.

WARRANTY DISCLAIMER

The goods sold to you by this agreement are furnished “as is” by KALO, Inc., or seller, and are subject only to the manufacturer’s warranties, if any, which appear on the labels of the products. KALO, Inc., or seller, make no other warranties, guarantees or representations of any kind to buyer or user, either expressed or implied, or by usage of trade, statute or otherwise, with regard to the product sold, indicated but not limited to merchantability, fitness for a particular purpose, use or eligibility of the product for any particular indoor usage. Inefficacy, or other unmitigated consequences may result because of such factors as the presence or absence of other materials used in combination with the goods, or the manner of use or application, or atmospheric conditions, all of which are beyond the control of KALO, Inc., or seller. In no case shall KALO, Inc., or seller, be liable for consequential, special or indirect damages resulting from the use or handling of the product. At such risk shall be assumed by the buyer or its customers. Tests have not been carried out under all possible use conditions, and KALO, Inc., or seller, cannot and does not warrant that the product is compatible with all other chemicals. The validity, interpretations and performance of this agreement, with respect to goods delivered, shall be governed by the laws of Kansas. This writing contains all of the representations and agreements between buyer, KALO, Inc., or seller, and its person or agent of KALO, Inc., or seller has any authority to make any representation or warranty or agreement relating in any way to the goods.
