**PSQ Disinfectant Cleaner**

**Filtered Activity:** A broad-spectrum quaternary ammonium disinfectant. PSQ is effective against bacteria, Staphylococcus aureus, and Pseudomonas aeruginosa. PSQ is also effective against mold and mildew (such as Aspergillus niger) and the odors they cause on pre-cleaned hard, nonporous inanimate surfaces.

**Use:** PSQ is for use in garbage pails, toilets, wash basins, bathtubs, and food preparation and storage areas. PSQ is for use in bathrooms, shower stalls and locker rooms. To control mold and mildew (such as Aspergillus niger) and the odors they cause on pre-cleaned hard, nonporous inanimate surfaces.
