MAGNACIDETM

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS DANGER

CHEMICAL HAZARDS: Acrolein, an irritant, and a possible sensitizer. May cause severe eye irritation. Acrolein may cause severe eye irritation and may cause sensitization, potentially leading to allergic reactions, and can be toxic if inhaled. It is acutely hazardous to the environment and can cause severe respiratory, eye, and skin irritation. It may cause sensitization and irreversible eye damage.

OTHER INGREDIENTS: Hydroquinone, sodium carbonate, distilled water, and sodium hydroxide. Hydroquinone is a potent skin sensitizer, can cause severe skin irritation, and is toxic if inhaled or swallowed. Sodium carbonate and sodium hydroxide are corrosive and can cause severe eye and skin irritation. Distilled water is used to dilute the active ingredient and is considered safe when handled properly.

PHYSICAL AND CHEMICAL HAZARDS

Acrolein is highly water-soluble and can be released into the water column. It has a high potential for bioaccumulation in aquatic systems. Acrolein is a known human carcinogen and can cause cancer in animals. Hydroquinone is a potent skin sensitizer and can cause severe skin irritation. Sodium carbonate and sodium hydroxide are corrosive and can cause severe eye and skin irritation.

REDUCED USE PESTICIDE DUE TO INHIBITORY ACTION

This product must be accompanied by an EPA-approved product label and the Emphasis MAPP. The Emphasis MAPP contains additional information for the safe use and handling of this product. All applications must be made during daylight hours and no later than 3 days after treatment.

WARNING: The use of this product may be restricted to eight (8) applications per application point according to label instructions, contact your State Pesticide or Environmental Control Agency for directions for use. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

WHAT YOU CAN AND MUST DO

Read the label and follow all instructions and precautions. Do not use this product for any other purpose. Return empty containers to Taft Manufacturing Company.
